Read and received.

Moved: J. Farrugia

Seconded: G. Fontana

Correspondence:

Nil

General Business:

All Members are reminded that the antenna (pads), for the electronic timing system MUST be on the inside of the confines of the loft. Lofts will be randomly checked on race days throughout the season and any member found to have the electronic pads on the outside of the confines of the loft, which contravenes the laws of the WPF, will be disqualified for the remainder of the season and no money/prizes won during that season will be paid.

Meeting closed at 10.30 pm.
