Host of the 2025 ANPA National in Ballarat, supported by the Geelong and Districts 'All Breeds' Pigeon Club. Host of the inaugural ANPA national meeting in 1981. Involved in hosting every Victorian National since 1983 and including 1987, 1991, 1995, 2003, 2007, 2010 and 2016.

A friendly All-Breeds club catering for Melbourne, Victorian and Australia-wide fanciers.

Established in 1913 the MPS has a large and diverse membership aiming to promote all forms of show pigeons with the understanding of breeding and working towards the written breed Standards. The MPS holds breed and genetic talks, sale days and shows throughout the year. The MPS is also on the front foot, is innovative and is willing to try new ideas to move the fancy forward.

Club meetings with monthly shows are held on the first Sunday of every month at 10am, Carrington Drive, Albion. Everyone is welcome and encouraged to attend.

Membership is \$25 pa or \$60 for three years. Contact the Secretary for membership information.

Welcome from the ANPA President - Chris Schutz

Welcome Everyone!

It is with great enthusiasm and anticipation that I warmly welcome you all to this 2025 Australian National Pigeon Association show here in Ballarat, Victoria. Such a beautiful part of the world in our nation, it is a pleasure to greet all of you to the best pigeon show in the land. So, welcome!

It is reassuring to see that the Avian Influenza situation in Victoria has receded away and that there have been no new outbreaks that have cropped up since the notification of the outbreak near Euroa. We trust that things will remain so. Boy, do we need this show. The whole hobby is hungry for a national. Let's celebrate big.

Generally, things remain a little tough around the traps and on the general living scene but it's reassuring that we can come together again to celebrate our hobby, to enjoy the show, fellowship with each other and have fun with our birds. In a topsy turvy world, I think our birds continue to keep us well-grounded and help us to have a sense of stability and uniformity in our lives. A responsibility to feed and water them each day keeps us focussed and committed. The fact that we are here in Ballarat proves that our hobby is active and alive. So, we hope that this National show serves not only as an exhibition of top-quality pigeons but as a celebration of fun, highlighting our pigeons, our relationships in the hobby and our future.

We very much hope you will all enjoy the show and perhaps the many activities, and attractions the region has to offer. Ballarat has a myriad of things to do for the family and visitors and quite a bit to explore. Just to name a few, Sovereign Hill and experience the gold rush of the 1850's, Kyal Castle. Ballarat Wildlife Park, the Eureka Centre, Galleries, Ballarat Aviation Museum, Tramway Museum and the list goes on. There is plenty to see and things to do besides our show.

The ANPA committee would like to thank Mark Tung, Chris Shannon, Paul Sulja of the MPS and their committee and members for hosting this year's National show, as well as the members of the Geelong and Districts All Breeds Pigeon Club who have provided support. It is greatly appreciated by all members that are attending. For those who have helped to plan and organise this event including our secretary Brad Turner and National show Coordinator Frank Hayes, thank you. As well, we also want to acknowledge all those members, the many volunteers and the sponsors who have generously contributed time and or cost to the show. A big Thank you. To our quality local and international judges, thank you too. It is a critical part of our show to have great judges passing judgement. The ANPA once again is committed to making this the best exhibition of quality pigeons in Australia. I wish you all success and the chance once again, to make new or rekindle old friendships in this beautiful hobby. It is one show in our pigeon calendar not to be missed.

IMPORTANT REMINDER TO EXHIBITORS

ANPA recommends vaccination of entries for the PMV1 and ROTA viruses.

This includes birds taken into the show hall for auction or sale.

Vaccination is NO LONGER MANDATORY.

All birds are entered at the OWNER'S RISK.

The Fancy and Utility Pigeon Society Inc of WA (FUPS) takes great pride in supporting ANPA's National Show. The club is set for a quieter year due to a change in venues which means it is unlikely to have both a Championship Show and Young Bird Show.

Much work is going on behind the scenes to transition to new facilities in 2026. The club thanks the core of members who are stepping up to make the transition possible.

People interested in Fancy, Utility or Homing pigeons will find like-minded members and friendship in FUPS.

This will be checked and any entries from non-members or unfinancial members will be returned. Entries will not be accepted from any person who has been refused membership of either ANPA or MPS regardless of that person's status in any other club.

- The Host Club Show Committee reserves the right to refuse to accept any entry/entries deemed to be a risk to the smooth running of the show.

- All birds at the venue are at the owner's risk and no responsibility is accepted by ANPA, MPS or Geelong & District 'All Breeds' club.

- Payment of all entry fees and Presentation Dinner tickets must accompany the signed entry form and all cheques/money orders must be payable to the MPS Inc. Post with the entries to the National Show Secretary PAUL SULJA. Please Include a stamped, self-addressed envelope to confirm acknowledgement and receipt of your entries. **Email entries accepted only with confirmed Direct Deposit payment advice.**

- Juniors: Please note that Juniors are not permitted to exhibit the same breed as a senior living at the same address, regardless of whether that senior is exhibiting at this show. To compete in junior classes, junior members must attend the show and pen their own exhibits, unless school attendance precludes it.

A request if unable to meet this requirement will be considered by Show Committee. Juniors should note this on their entry form.

- All exhibits must be the bona-fide property of the exhibitor from the time of entry through exhibition.

- Pen numbers will be released to exhibitors on their arrival at the show. It is therefore necessary that you retain a record of your entries.

- Security is paramount, and your patience is requested for any inconvenience. No bird, other than for exhibition (or sale after that breed judging is completed, or for the auction) is to be taken into the show area. Special areas are provided for sale and auction entries.

- All boxes and crates must be placed in the storage areas provided. Stewards will be on duty and will check all boxes and bags leaving the venue. No exhibits will be allowed to leave the pavilion until all exhibitors have retrieved or accounted for all their birds following the close of the show on Sunday.

- Sale Birds: Pens will be allocated for Sale Birds which must be entered on the Entry Form. Pens are \$10 each and are strictly limited to four birds per pen. Other Sale birds can be entered in the show in their sections and displayed as a sale bird BUT ONLY AFTER completion of their Breed judging. "For Sale" cards will be available from the National Show Secretary.

- Developmental/Genetics Class: Show classes are provided for breeds in development or for new colours being developed in existing breeds. Please note that this is not a class for "funny" colours produced by crossing existing colours within a breed, but for specific projects to introduce a genotype not present in a breed or to create a new breed in Australia. The Committee may award a special trophy for the best exhibit in the Developmental/Genetic Class.

SECURITY: No bird is permitted to leave the show Hall without written authority of the National Show Manager Paul Sulja. No sale bird is permitted to leave the Sale area without a receipt signed by the vendor.

All juniors participating in the National show will receive a memento. ANPA will award a trophy for the best overall junior exhibit and for the runner-up Best Junior. Note: The best junior exhibit in each breed will be considered for the respective best of breed awards and will be judged by the breed judge. - Persons offending in such a manner will be warned (once only) and then if further infringement, depending on severity, will result in the person being asked to leave the judging area/pavilion or a disqualification of the offender's exhibits. With severe infringements both will be applied. The entry form must have your Entrant's signature to confirm your acceptance of the Code of Conduct and all Show Conditions.
- At no time after birds are penned can they be handled, or their pen accessed, by anyone other than by their owner, or the Show Committee's approved breed steward. Owners are permitted to prepare their birds during judging, and they can be carried to and from the judging by their owner, or stewards under the control of the nominated and approved breed steward.
- The committee will not be held responsible for any loss or injury sustained to any exhibit though every care will be taken. In all circumstances the judge's decision will be final, with no provisions for appeal or disputes.
 - Judges may withhold placings, awards, trophies, rosettes or certificates at their discretion.
 - The owner of any exhibit deemed sick or carrying excess vermin of any description will be instructed to remove the bird from the venue.
 - If any exhibit is disqualified from competition, all fees will be forfeited.
 - Exhibitors are responsible for all freight arrangements.
