- All photographs, videos, and related media taken by or on behalf of the WPF remain the property of the WPF.
- Members waive any right to inspect or approve the finished product wherein their likeness appears.
- Members acknowledge that no financial or other compensation will be provided for the use of any images or recordings.

- The WPF will take reasonable care to ensure that all use of images is respectful and in line with community standards.
- Members who do not wish for themselves or their family members to appear in promotional material may submit a written opt-out request to the WPF Secretary. Such requests will be accommodated where practicable but may not apply retrospectively to already published material.
